

# MicroScrub

## BIOLOGICAL HOPPER CLEANER

### SAFE

Approved for use on toilets connected to Microphor Biological Waste Treatment Systems. This unique product is compatible with MicroCulture® and MicroClean®.

### EASY

Simply shut the water off, hold flush handle down to keep flapper open, pour the entire bottle into hopper. Allow to sit as long as possible before flushing. Reuse every 3 months.

***No need to scrub the inside of hopper!***

### EFFECTIVE

MicroScrub aids in waste digestion and odor control. The shelf life of MicroScrub is 2 years.

Available by case (12 - 16 oz bottles) only.  
Case measures 8"x10"x9" and weighs 14 lbs
