

# ***MICROSCRUB***

# **NEW**

## **BIOLOGICAL HOPPER CLEANER**

### **SAFE**

Approved for use on toilets connected to Microphor Biological Waste Treatment Systems. This unique product is compatible with MicroCulture® and MicroClean®.

### **EASY**

Simply shut the water off, hold flush handle down to keep flapper open, pour the entire bottle into hopper. Allow to sit as long as possible before flushing. Reuse every 3 months.

***No need to scrub the inside of hopper!***

### **EFFECTIVE**

MicroScrub aids in waste digestion and odor control. The shelf life of MicroScrub is 2 years.

Available by case (twelve 16 oz bottles) only. Case measures 8"x10"x9".
